Highlights of COVID Re-Opening plan for Newfield High School

Changes to the COVID 19 plan for NHS:

- No student attestations need to be collected and no temperature checks for staff or students upon arrival to the building
- 3 feet social distancing for students in classrooms
- No barriers on student desks
- Hall lockers will be distributed with a rotation for students to go to lockers
 - Even number lockers at start of even periods, odd numbers at start of odd periods
- Students quarantined are to follow their schedule and log in to the class Google Meet to receive instruction in their classes
- Weather permitting, students will be permitted to eat outdoors in the courtyard. Security and custodians will be on hand

Still in place at NHS:

- Masks are to be worn in the building by staff, students and visitors
- Masks need not be worn outdoors
- Hand washing and cleanliness is still emphasized
- There is an Isolation room attached to our health office, staffed by our nurses, for any students showing symptoms
- 6 feet social distancing must be maintained between adults during meetings
- Clubs and activities may meet in person while maintaining social distancing requirements
