

Dear Parents,

Welcome to second grade! We are very excited about the upcoming year and we are looking forward to getting to know both you and your child. Second grade is an exciting time filled with many rewarding experiences, which your child will carry with him/her, for the rest of his/her life. Our goal for all of our students is to have them develop to their fullest potential in an interesting and stimulating learning environment. In working toward this goal, we feel that parent-teacher communication is vital. Please feel free to email us with any concerns, questions or comments you may have. Email is : cippolito@mccsd.net . We will respond as soon as possible.

We have enclosed a list of supplies, which your child will need daily and other important information, which will be of use in the upcoming year.

Please purchase all of the supplies on the list. However, since the children will have to take all of their supplies home each day and bring them back the next time they are in school we are asking that you **ONLY** send in **some** of the items in September. We have detailed which supplies to send in on the list. Also, please unwrap and put the supplies into your child's pencil box for them. The supply box must be able to fit into your child's desk. It can not be a large supply box. Please also send your child into school with one or two books to read. Please make sure the book is on or close to their reading level. They will be reading them independently. Please send in a simple snack for your child. The drink should be one that your child can open on their own.

If your child is to go home in a different manner than usual please **CALL** the school and let us know. You can also email us also, but we may not get the email in time.

We are asking for **ALL** of the **parents** email addresses and a contact cell phone number where we can reach you at all times. Please check your email (if possible) during the school day for any important new information. This is extremely important because we may be emailing you with information about our **GOOGLE CLASSROOM** and how to join.

You can email us at cippolito@mccsd.net as soon as you get this letter and give us your email and contact phone number then.

We are looking forward to a fantastic year for all of us. Thank you in advance for your interest and support.

Warmly,
Mrs. Ippolito and Mrs. Puzio
