assignments

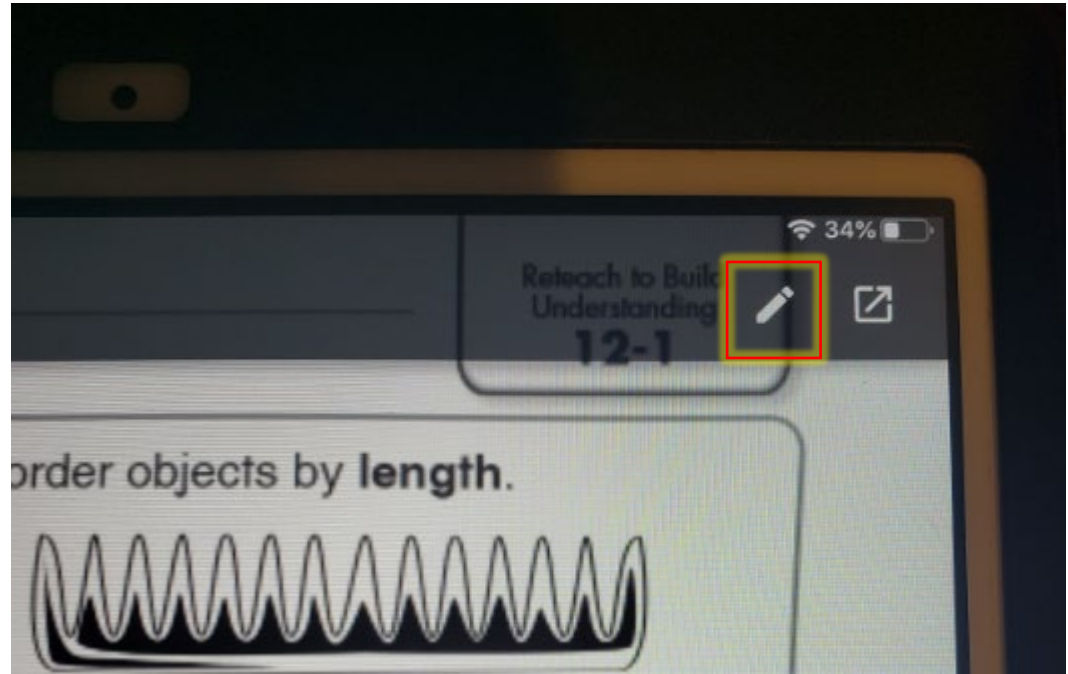

Press an assignment to open

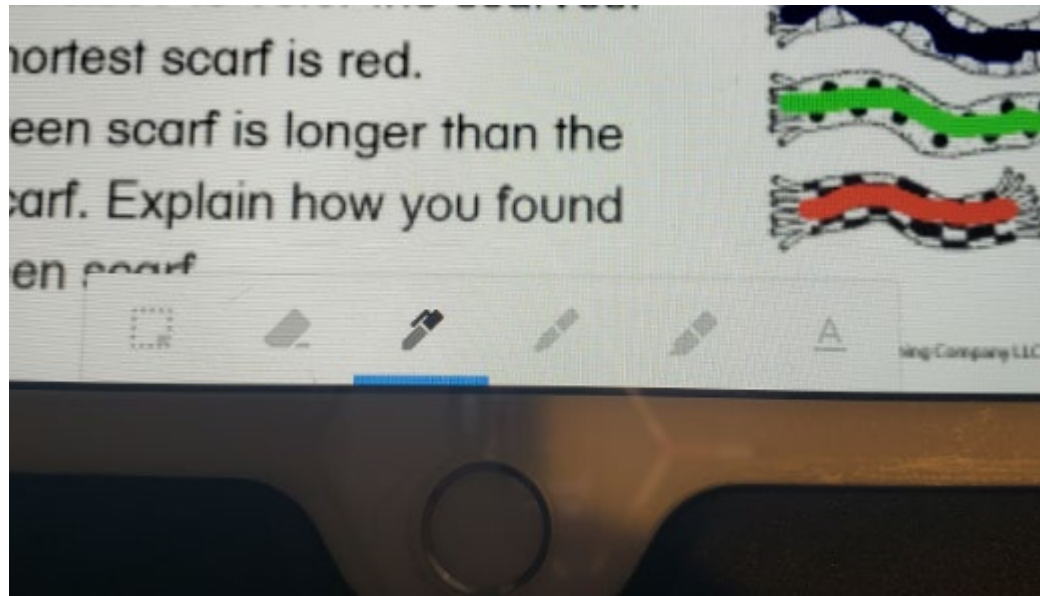

Press the up arrow on the bottom of the assignment screen to view assignment details. You can also view and post private comments to the teacher here.

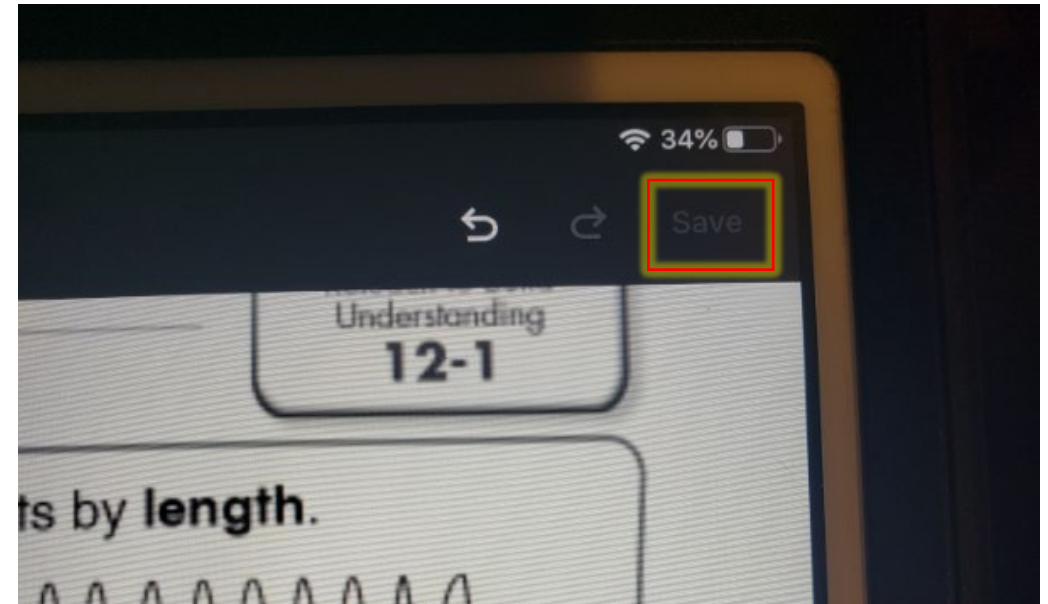

Press on the document to open

Press the pencil button in the upper right corner of the screen to open the editor

The editing tools will appear at the bottom of the screen. Press to select a tool. Press and hold the tool for size and color options.

When you have finished editing, press Save in the upper right corner.

This will update the attached assignment directly in the Google Classroom. Remember when you are finish to click **Turn In** on the assignment page.
