

An important message from Craig L. Unkenholz, Ed.D.

Good Afternoon,

I hope you all all healthy and safe. I wanted to send you some important information regarding free access to **libraries**. Please see the information below:

The Nassau & Suffolk County Library Systems have created a virtual library card so patrons who do not have library cards can access online materials while the libraries are closed.

"Nassau Library System now has virtual library cards available, for those who don't have an existing card. Feel free to share this with your students, colleagues, neighbors, etc.

<https://www.nassaulibrary.org/digital-card-application/>

We have also added more e-books for kids of all ages to our website, no library card needed." Here is the link for people who live in Suffolk County.

Sincerely,
