

A message from HOLBROOK ROAD ELEMENTARY SCHOOL

Dear Parents and Guardians,

First, let me express my gratitude for your continued support as we navigated the new world of distance learning. It's been a unique experience for all of us. Despite some of the hardships, it has opened up some new and exciting opportunities for enhanced and more efficient communication.

In the past, elementary report cards have been printed on paper and sent home with students. From this point forward, including the 2019-2020 third trimester report cards, all report cards will be posted electronically in the MCCSD Parent Portal that you utilized when getting transportation information in August 2019.

The report cards will be available for your viewing on June 30, 2020.

The PowerSchool Parent/Student Portal Information can be found at:

<http://www.mccsd.net/psinfo>

On that page you will find instructions to create an account (if you haven't already) or to retrieve or reset usernames and passwords, as well as to view report cards (in English and Spanish).

If you would like your child to see any previous lessons from their Google Classrooms, their classroom will be available in the "Archived classes" section under the hamburger menu () on the top left.

Thank you and have a wonderful summer.

Sincerely,
Craig L. Unkenholz, Ed.D.
Principal
Holbrook Road
