

ARTS & CRAFTS

The Arts & Crafts Club is intended to expand students' creativity in a safe and fun environment. The club will provide students the opportunity to bring out their creative side using art techniques such as drawing, painting and much more. Students will also learn how to use materials properly and safely.

BOARD GAMES (1ST, 2ND, 3RD)

BOARD GAMES (4 & 5)

The focus of this club will be the challenging fun-filled game of Scrabble. A great crossword board game which improves vocabulary, spelling, math, strategy skills and so much more. Students will play with their peers in friendly competition.

BOOK CLUB (3RD & 4TH)

This will be a fun club of children who enjoy reading. In this club we will be reading selected books together and discussing what has been read. Some of the reading strategies that will be used are. Making Connections, Asking & Answering Questions, Central Idea, Making Inferences, Predicting, Monitor Reading and Point of View.

JUNIOR LEADERS (5TH)

Students will demonstrate leadership through service. This group will engage in service projects that benefit their fellow students, All-Star families, and the local community.

KID ZUMBA

This club is designed to combine movement, music, community and a healthy lifestyle for children. These fitness classes are rocking, high-energy dance parties packed with specially choreographed, kid-friendly routines and all the music kids love, like hip-hop, reggaeton, cumbia and more all taught by a licensed Zumba Kids instructor! Mixed with fun games to promote teamwork and movement; this club is sure to be a hit!

PLANT CLUB

The plant club will show children how to appreciate our planet and all of the beauties of nature! We will learn to recycle items and reuse them. Children will plant and maintain a variety of plants and also grow their own food. We will use our imagination and create garden beds and planters. They will also learn the cycle of life first hand by composting!
