

Unity Drive News

Welcome to Unity Drive!

We are thrilled to begin our 2022-23 school year! Pre-K and Kindergarten are exciting years for our students and families. We have fun and educational activities planned for this year!

UPK Families- please refer to the UPK page for *specific* UPK information! [Universal Pre-Kindergarten Page](#)

We have some exciting events planned to help ease the transition into our school.

- ★ We have Parent informational Orientations for UPK and Kindergarten in August. These sessions are packed with information and **are not designed for our students**. We ask that only parents/guardians attend so we can ensure that you can get all the important information that will be shared.
- ★ Visit the Playground with the PTA. Families are invited to come play on our playground and meet other families at this PTA hosted event. (Please note there is no access to the building during this event.)
- ★ Back to School Night is a great time to meet your child's teacher, see the classroom, and hear how the classroom operates.
- ★ Welcome Back Picnic is a PTA sponsored family event that welcomes the Unity Families to the Unity Family! A fun time for your family!

Each month we will post what is happening at Unity Drive here on our Newsletter page.
