Dear Parent/Guardian,

June 2023

This summer, the district will be offering select in-person credit recovery classes at Centereach High School. There will also be an online platform that students can choose called Educere. All courses through Educere are at a fee to the parent, costing approximately \$195 per course for most courses.

There will be a virtual orientation and information session for Educere, through **Google Meet, on Tuesday, June 27, at 10:00am**. The session will be hosted by the Guidance Department and a representative from Educere, and there will be an opportunity to ask questions regarding credit recovery through online summer school and Regents Exam exemptions or appeals, and how to register.

If you join the Google Meet utilizing your child's MCCSD domain information, you will be automatically entered into the meeting. If using outside credentials, you will be granted permission to join at that time. Meeting link may be found here:

**Registration for Educere is from June 20 to July 3, 2023. All online work and final exams need to be completed by the course closure date on August 21, 2023.** Registration information can be found on the district website. Students may take up to 3 classes, with both Educere and the offered classes at Centereach High School combined.

Please contact your child's guidance counselor with any questions regarding your child's eligibility to take any particular class.

Sincerely,

Guidance Department
