THE GABBY PETITO SCHOLARSHIP FUND

This scholarship was established in 2021 to honor Gabby Petito, although Gabby graduated from Bayport-Blue Point, she attended Newfield High School for some time. All through her life, Gabby always had a passion for art of all kinds, as an avid illustrator and photographer herself. Her father, Joseph Petito was also born and raised in Selden and this scholarship is a way for him to give back to his former community. Gabby's family conceived the award as a way of keeping her memory alive in the hearts and minds of all who knew and loved her during her life and those that grew to love her posthumously. This scholarship will be awarded to a graduating senior pursuing a future in visual arts. The recipient will personify Gabby's youthful and free-spirited likeness, must submit an art project that raises awareness for domestic violence, and be chosen by their talent and desire in pursuing the arts. The student's GPA will not be a factor in the selection.

GINNY SLATTERY MEMORIAL SCHOLARSHIP

The family, friends and colleagues of Ginny Slattery wish to establish a scholarship award in her memory for the June 2024 graduation at Newfield High School. Employed by the Middle Country School District for over thirty years, Ginny Slattery was a special education teacher at Selden Middle School and retired in 2000. During her career she taught and mentored her students to be successful in achieving their potential. Mrs. Slattery was a dedicated teacher who was creative and innovative in her instruction to her students. She was a role model to her colleagues and mentored future special education teachers. Ginny Slattery exemplified the highest ideals of all educators. A scholarship in her name is a very fitting way to commemorate her dedication to her profession and to public education. Throughout her life, her loving spirit was always evident in her devotion to family, friends, colleagues, and students.

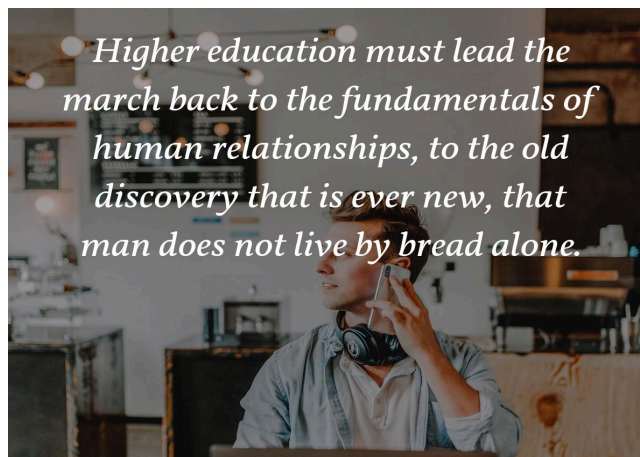

Criteria for the scholarship will be:

- Given to one graduating student from Newfield High School
- The student is a special education student which would include self-contained, main-streamed, resource room, or other within the special education program
- The student will pursue further study beyond high school towards a career or trade at a 2-or-4 year college, technical school, or trade school.
- Student has a financial need to continue their education
