

Dear Parents and Caregivers,

Middle Country School District school buses are now equipped with cutting-edge GPS technology called Wheres The Bus™ that lets you know precisely when your child's bus will arrive at your bus stop. This application is free and will provide up-to-the-minute bus arrival time and location information for all Middle Country school buses. By using the Wheres The Bus™ app, you will be able to wait for the bus in the comfort of your own home and eliminate the stress of rushing to the bus stop unnecessarily.

The Wheres The Bus™ application is simple to set up and takes less than 5 minutes:

1. Download the Wheres The Bus™ app from the App Store (iOS / Apple) or Google Play Store (Android).
2. You will be prompted to create an account.
3. Select Middle Country from the dropdown menu and provide your student's information.
4. Once your student's information is verified, your account will be active.
5. Log in to the app from any Internet enabled device (smartphone, tablet, PC, iPod) and access real-time bus information for your student(s).
