October 14, 2022

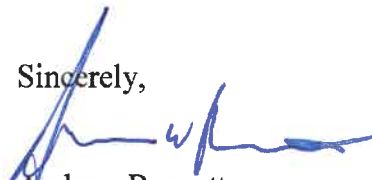

Dear Parents/Guardians,

On Thursday, October 13, 2022, two students were walking home after their athletic practice and, when they were near the corner of Henry Avenue and Marshall Drive in Selden, a woman with black, curly hair in a black SUV stopped and attempted to engage the students in an inappropriate conversation. The students provided no information and moved quickly away from her and her vehicle. In addition, the parents of the students contacted the police.

As parents and guardians, you are strongly encouraged to contact the police department and school officials regarding any suspicious activity in your neighborhood.

This serves as a reminder to all of us of the importance of being aware of our surroundings and for students to tell an adult of any activity which appears to be suspicious.

Sincerely,

Andrew Bennett
Principal
Selden Middle School
