Dear Jericho Families,

The fall holiday season is upon us! As a means of getting into the holiday spirit, children may come to school dressed in their Halloween costumes on Friday, October 30<sup>th</sup>. Please be advised that children may **not wear masks that are part of costumes or costumes that are gross or scary. Additionally, weapons, such as but not limited to, knives, swords, and guns are not permitted as costume accessories.** Also, all footwear must prevent from tripping or slipping. If your child has physical education class, they may be required to change into sneakers and something that allows for movement.

**Children must wear their COVID-19 related face coverings on this day.**

While this year's festivities will look a little different, it will still be a special day for our students. Due to COVID-19 related restrictions, Jericho's annual Halloween Parade will not take place this year. Additionally, due to COVID-19 related restrictions, visitors are not permitted to in-class festivities. Finally, Jericho cannot accept and/or distribute food, candy, and goodie bags this school year.

We thank you in advance for your cooperation!

Thank you,

Elena Marie Baldwin- Principal
