Roberta A. Gerold, Ed. D.  
Superintendent of Schools  
Middle Country Central School District

---

November 24, 2020

Dear All-Star Families,

Today, Wednesday, November 24, 2020, the Middle Country School District was notified that there is a confirmed case of COVID-19 at North Coleman Road Elementary School. The person was last in the building on Thursday, November 19, 2020.

I share this information with you as part of the ongoing effort to keep our community informed of any areas of concern. Please know that due to privacy laws, I am unable to provide any more details.

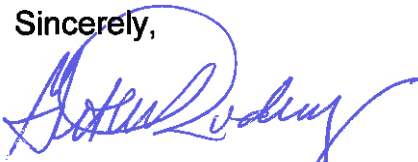

In accordance with our reopening plan, I have been in contact with the Suffolk County Department of Health, and I am assisting them in contact tracing efforts. The Department of Health and the school will notify those individuals who are identified as being in close contact, and may need to quarantine as per the DOH.

As always, the health and safety of our students and staff is my top priority. Therefore, any individuals who are directed to quarantine will only be allowed to return to North Coleman when released by the Department of Health.

Please use the link **DOH COVID Clearance** link on the website for proof of clearance which is necessary in order to return to school. You can refer to the MCCSD main for additional COVID-19 resources.

If you have any questions, please feel free to contact me.

Sincerely,

Gretchen Rodney, Principal
