Dr. Roberta A. Gerold, Ed.D. Superintendent of Schools
Middle Country Central School District

Dear Parents and Guardians,

I am writing to let you know that Jericho Elementary School, along with all other schools in the Middle Country Central School District, will be participating in a school climate survey. Through this survey we hope to gain insight from all members of our school community and incorporate these into our ongoing planning. The survey will be open from Tuesday, October 13th through Friday, October 23rd and will take about 15 minutes to complete.

Starting on Tuesday, October 13th, you are invited to access the parent/guardian survey using any computer, tablet or smartphone by visiting the district website: www.mccsd.net, and clicking the link "School Climate Survey – Parents/Guardians."

Sometime during the survey dates, students in grades 3-12 and teachers will also be invited to complete versions of this school climate survey.

All survey responses will be kept strictly confidential.

If you have any questions, please feel free to contact me.

Sincerely,

Elena Marie Baldwin, Principal

The mission of the MCCSD is to empower and inspire all students to apply the knowledge, skills, and attitudes necessary to be creative problem solvers, to achieve personal success, and to contribute responsibly in a diverse and dynamic world.
