Dear Parent/Guardians of Third Grade Students in Hybrid Classes,

We have good news to share with you. As promised, once elementary youngsters returned, we carefully evaluated space availability and density in the schools and in classrooms, and found that we could return third grade students who are in hybrid classrooms to school, four days a week up until the middle of October and, beginning October 19th, five days a week.

Your third grader will be in school for the four, and then five days a week as long as we can follow social distancing guidelines. If we find that a good number of students who are in the full virtual classrooms are opting to return to school at the start of the second trimester and that we can no longer maintain required social distancing in classrooms, we will have to revert back to the hybrid model that is currently in place.

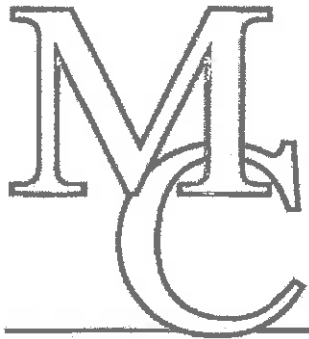

You will soon be contacted with further information and details. Please don't hesitate to call or e-mail your child's principal if you have any questions about this upcoming change.

Sincerely,

Roberta A. Gerold, Ed.D.
Superintendent of Schools

Elena Baldwin
Principal of Jericho Elementary
School

Estimados Padres / Tutores de Estudiantes de Tercer Grado en Clases Híbridas,

Tenemos buenas noticias para compartir con ustedes. Como prometimos, una vez que regresaron los niños de primaria, evaluamos cuidadosamente la disponibilidad y la densidad de espacio en las escuelas y en las aulas, y descubrimos que podíamos devolver a la escuela a los estudiantes de tercer grado que están en aulas híbridas, cuatro días a la semana hasta mediados de octubre y, a partir del 19 de octubre, cinco días a la semana.

Su hijo/a de tercer grado estará en la escuela los cuatro y luego cinco días a la semana, siempre que podamos seguir las pautas de distanciamiento social. Si nos encontramos con que un buen número de alumnos que se encuentran en las aulas virtuales completas están optando por volver a la escuela al inicio del segundo trimestre y que ya no podemos mantener el distanciamiento social requerido en las aulas, tendremos que volver a el modelo híbrido que está actualmente en vigor.

Pronto será contactado con más información y detalles. No dude en llamar o enviar un correo electrónico al director de su hijo/a si tiene alguna pregunta sobre este próximo cambio.

Sinceramente,
