RE: Inclement Weather Transportation Plan

For the safety of our students, we are implementing an Inclement Weather Transportation Plan. This plan will provide a safe place for your child(ren) to be picked up and/or dropped off when inclement weather makes it impossible for the school bus to get to your assigned bus stop. This plan will not be used each time it snows and it is not for all bus stops in the District.

When this plan is put into use, you will be notified by automated robocall, the District website and various media outlets. **In order for this plan to work, it is imperative that we have accurate contact information. Please login to the Blackboard Connect portal on the District website at <https://mccsd.bbcportal.com/> to review and update (if necessary) your contact information and preferences.**

If your child(ren) use an alternate bus and/or stop for childcare purposes, please be sure to inform your childcare provider of this information.

The list of all assigned bus stops and the corresponding inclement weather stops within the Inclement Weather Bus Stop Area is available below and on the Transportation page of the District website.

Please call the Transportation office at (631)285-8880 if you have any questions regarding this program.

Thank you, in advance, for your cooperation.

Respectfully,

Barbara Hannah

Barbara Hannah
Transportation Supervisor
