

To My New 4th Grader,

Welcome to Fourth Grade! I am very excited about the upcoming year! I have been working hard to set up our wonderful classroom! It is a bright and welcoming place that we will grow a lot of memories in! I even have a supply box with your name on it all ready and waiting for you! I hope that you had an amazing summer, and are well rested and ready for a new school year!

I can't wait to hear about the books that you read over the summer. We have a few amazing books lined up for this year! Please spend some time brushing up on your basic math facts.

I look forward to meeting you on the first day! Enjoy your last few days of summer!

Love,

Mrs. Garcia ~Room 212~

Dear Parents,

Welcome to Fourth Grade! I am very excited about the upcoming year, and am looking forward to getting to know both you and your child. Please send your child to school on the first day with a snack and labeled school supplies.

My goal for each and every one of my students is to have them develop to their fullest potential in an interesting and stimulating learning environment. In working toward this goal, I feel that parent-teacher communication is vital. Please send me an email before school starts, this will give me an efficient form of communication.

★ In your email, please use your child's name as the subject, list any phone numbers that I may need, and let me know if your child has internet access at home.

Thank you in advance for your cooperation. I look forward to meeting you and your wonderful child!

Sincerely,

Mrs. Garcia
