I have read, understand and agree to abide by all of the conditions set forth in the foregoing Student/Parent/Guardian Chromebook User Agreement and on this MIDDLE COUNTRY CENTRAL SCHOOL DISTRICT Student/Parent/Guardian Chromebook User Agreement Form, and agree to adhere to:

- The 1:1 Chromebook Procedures & Informational Handbook
- The district’s Computer Network for Education (Formerly) Acceptable Use Policy #4526 (Appendix A)

In the event that circumstances arise that necessitate remote learning, my child may be afforded the opportunity to participate in certain classroom lessons using video technology. I understand and acknowledge that the use of video technology will be strictly for school related purposes and subject to classroom scheduling. I understand and acknowledge that use of this interactive technology in the classroom necessarily affects the privacy of the students and teachers that are present in the classroom while my child is participating remotely. Mindful of the privacy concerns of the students and teaching staff, and the fact that schools are obligated to protect the privacy of student records and information pursuant to the Family Educational Rights and Privacy Act (“FERPA”), I acknowledge that **I WILL NOT** knowingly permit any information that comes into my possession via the remote instruction process, (including photographic, video and/or audio depictions of students and staff) to be recorded by me or my child for future viewing for any purpose whatsoever. I further acknowledge that **I WILL NOT** transmit any photographic, video or audio depictions derived from remote learning to any third parties via a website or social media, including Facebook, Twitter, Blogs, YouTube, Instagram or other social media platforms.
