Dear Parent/Guardian:

All students with a valid NYS Class D license will be considered for parking privileges on the grounds of Newfield High School.

In order to obtain the parking privilege, the following items must be accomplished:

1. You must complete the REGISTRATION FORM, and by your signature, agree to **ALL** rules and regulations as set forth in this packet and registration form.
2. Your son/daughter must bring in the following original documents:
 - Valid Class Five (D) New York State License (A Class Six license is not acceptable)
 - Current Insurance Card
 - New York State Registration
 - ALC Car Registration Form
3. Your son/daughter must affix the student parking sticker on the front windshield, passenger side. No car without a sticker will be permitted on the campus as of the first day of classes.

STUDENTS WHO LEAVE THE CAMPUS DURING SCHOOL, WITHOUT PERMISSION, COULD BE SUBJECTED TO SUSPENSION OR REVOCATION OF PARKING PRIVILEGES.

Any other vehicle or disciplinary infractions may result in suspension of campus parking privileges, the duration of suspension to be determined by the administrator.

We would ask for your cooperation in emphasizing to your son/daughter the need for safe and defensive driving.

If you have any questions, please contact the ALC office at 285-8346.
